World Community Outreach

Elizabeth in Africa Orphanage

Along with other fundraising projects including Kenyaid, CYMG members have provided donations in time and service to get desperately need food, clothing, and health care to the world.

Missions

Last year CYMG missions provided for disaster relief and building projects in Africa, Honduras, and Haiti. Providing for needs of others, CYMG has given food, clothing, education, and housing through our network of organizations in the local community and the world.

In Honduras we provide for education services to include a library, college level training, and feeding kitchens to help with Bajio Mission. In addition provided US Messianic and Christian volunteers gave vacation time to help in building projects and with medical facilities.

COMMUNITY AT HOME

In Bradford Pennsylvania CYMG *Merrick House* will provide needed space for homeless veterans, families, and education in employment training and safe space services. CYMG along with local corporations gave over \$10,000 in the last two years to the local safe space and rental assistance programs. With additional donated housing provided by CYMG and their contributors, over \$50,000 in apartment and home rental assistance was provided for the local community.

But to complete our work and provide needed social services at *Merrick House*, we need to raise \$150,000 to complete construction, hire staff, and build handicap access entrance and emergency exits. When completed *Merrick House* will provide for 6 transitional housing unites for homeless families along with community and social services.

CYMG sponsored "FAITH RADIO" which airs monthly and "Yah's Way TV" which will begin airing this fall on TCT TV Network in the Buffalo and Ontario Canada area that will provide community outreach for services throughout the southwestern New York and North central PA area. Education and community awareness can make a difference in the life of those in need. Your contribution to our efforts will make the world a better place and help us inspire those who need food, clothing, and shelter around the world and in our local community. Your contribution is tax deductible and all contributors will be mentioned on *Yah's Way TV* and listed on our web site as a supporter of our work. Thank You in advance for your gift and support of CYMG.
